

ERIKS is one of the world's largest suppliers of hydraulic and pneumatic seals, with facilities throughout North America, Europe and Eastern Asia.

ERIKS group offers a trained and dedicated staff of over 2,000 employees committed to serving the specific product and logistical requirements of an ever changing global market.

ERIKS offers quality products, manufactured by many of the world's most respected names in sealing technology. We also provide engineered composite components as well as other sealing related in-house fabrication services.
